Hi there! Thank you so much for your donation to Father Gene's Help Center. Donors like you are the reason we can reallocate thousands of pounds of clothing each year to people who need it. You're awesome!

If you've been donating to Father Gene's Help Center for a while now, you're probably pretty accustomed to bringing in donations through the front door. But, exciting news! We're shifting our primary donation drop off location to the **back door**! Next time you bring something in to donate, we invite you to come in through our parking lot which can be accessed **ONLY** from Greenfield Ave, just east of 60th St and just west of 59th St.

The map above explains this visually. The green line provides one suggestion for how to get there from the front of our building by driving east on National Ave, then turning right on 58th St. (59th is blocked off - hence the orange Xs). After that, turn right on Greenfield Ave, then right into our parking lot. The blue line shows how to get there if you're heading south on 60th St (aka Hawley Rd) (perhaps from I-94). Turn left on Greenfield Ave, then left into our parking lot. Easy as pie!

If you have any questions about this, or about our donation drop off hours (M-F, 9 am to 12 pm), or what donations we accept (clothing for human adults, children, and infants), or any other questions, please feel free to give us a call at **(414) 258-4357**. To schedule an appointment to drop off your donation, please visit our website at www.fathergeneshelp.org/book-online.

We hope to see you soon!

Love, the Staff & Volunteers of Father Gene's Help Center
